John Hirschberg, of the Administrative Board, laid before the committee a report of the proceedings of the mass-meeting with the ratification providing of a plan providing by that meeting of a plan providing for the removal of all tracks on Broad Street eastwardly from Twenty-first except the single block between Twenty-fourth and Twenty-fifth Streets. He drew attention to the fact that this plan was supported by 172 that this plan was supported by 179 votes as against seventy-four votes for votes as against seventy-four votes for votes for votes as against seventy-four votes for votes for votes as against seventy-four votes for votes for votes as against seventy-four votes for votes for

With the sentiment of the massmeeting so expressed, Mr. Hirschberg urged the committee to approve some definite rerouting plan for East Broad Street which will enable the board to proceed with the smooth-paving of this

Mr. Sullivan told the committee that he had been approached by no less than fifty citizens who have declared than fifty citizens who have declared their dissatisfaction with the rerouting plan ratified by the mass-meeting. The people of his section, he said, desired another chance to work out a rerouting plan which will better meet their views. "I will venture to say that fully 50 per cent of the people who at-tended the mass-meeting the other night came from sections of Church Hill a mile distant from the tracks that are to be rearranged. There are other matters in connection with that meeting that I would like to disclose to this committee, and which I may the committee of the commi disclose at the proper time. I am i possession of facts which, in my opin ion, warrant this committee to post pone final action until the people is the East End are given another op-portunity to solve this problem."

Tells of Wonderful Cure

Suffering the most excruciating agony and forced to quit work. Mr. W. J. Green, who works as car repairer for the C. & O. Railway, and lives at 518 North Twenty-eighth Street, Richmond, Va., tells of the wonderful and complete cure affected by the United Doctors. Mr. Green says:

"For a long while I suffered terrible pains in my back and kidneys. The pain was worst just after eating. Also I had very severe attacks of indigestion. My condition was so bad that I lost considerable time from my work, and my weight fell off from 156 to 135 pounds. None of the doctors I went to were able to give me any relief.

Two weeks ago I consulted the United Doctors, and immediately after the commencement of their treatment began to feel better. I am now doing my work regularly, have absolutely no pains whatever, and feel as good as I ever did in my life. I am giving this account of my suffering and cure so that others may learn by my experience."
